

**International Conference on Engineering Education  
ICEE-2014**

June 2-6, 2014, Riga, Latvia

**CALL FOR PAPERS FOR SPECIAL SESSION IN**

**Modern Trends in Teaching Math to Engineers**

Papers are solicited on topics dealing broadly with, but not limited to, MOOCS. A lot of people say videos are not interactive; we can discuss this. Also of interest is their creative use, the need for different MOOCS for different types of students, and the changing role of the teacher in this climate.

This conference emphasizes development of international partnerships in education and research. Through special sessions and international workshops, it provides ample opportunity for discussing future cooperative projects. For more information on iNEER, one of the principal sponsors of the conferences, visit: <http://www.ineer.org>

**IMPORTANT DATES**

Submission of abstracts:	January 17, 2014
Notification of abstract acceptance:	February 7, 2014
Submission of papers:	February 21, 2014
Notification of acceptance:	March 14, 2014
Final Paper to be received by:	March 28, 2014

Submitting Abstracts and Papers: Please submit abstracts and papers through the link for Special Sessions at the ICEE-ICIT 2014 web site:

<http://www.ineer2014.rtu.lv>

**Session Co-Chair:**

Larissa Fradkin, BSc, PhD, CEng, CPhys, FIET, FIMA, FInstP, MLMS  
Emerita Professor, London South Bank University  
Associated Professor, Brunel University  
Managing Director,  
Sound Mathematics Ltd.,  
11 Mulberry Close, Cambridge CB4 2AS, U.K.
