July 23 - 28, 2006

Dear Colleagues,

On behalf of the ICEE 2006 Organizing Committee we would like to invite you to participate in the International Conference on Engineering Education in San Juan, Puerto Rico during July 23-28, 2006, which is being organized and hosted by the University of Puerto Rico at Mayaguez. The general objective of the ICEE conferences is the promotion of international collaboration in the field of engineering education, with special focus on modern methods and tools, as well as successful examples of networking and joint efforts with respect to universities students, teaching staff and governing bodies. Please refer to the ICEE 2006 website - <http://icee2006.uprm.edu>- for a listing of the topics and special sessions of the conference.

We would like to strongly encourage you to submit presentation abstracts and participate in the ICEE 2006 in San Juan to share your achievements in the fields of education and international collaboration. **The deadline for submitting abstracts is February 28, 2006**, which can be done directly online at: <http://icee2006.uprm.edu>. We would also appreciate if you could encourage your colleagues to submit their contributions and participate in ICEE 2006.

In addition to the technical aspects of the program, our ICEE 2006 website provides you with tourist information about our beautiful island of Puerto Rico, which includes hundreds of miles of white sandy beaches, over 20 golf courses, the Arecibo Radio telescope with the largest antenna in the world, Spanish fortresses, phosphorescent bays, the only rain forest in the U.S. and much more.

We look forward to seeing you in San Juan in July, 2006.

Sincerely,

Jorge Vélez Arocho
