

**International Conference on Engineering Education and Research
iCEER-2004, Bouzov Castle, Czech Republic, June 27-30, 2004**

CALL FOR PAPERS #13

**COOPERATIVE EDUCATION PROGRAMS – NATIONAL
AND INTERNATIONAL PERSPECTIVES**

Cooperative educational approach can be highly beneficial to student learning so long as it is conducted in a professional manner with the primary focus being student learning outcomes. As we live in an international market the session could greatly benefit educators who are involved in, or wish to set up, such programs. This session will seek to discuss, review and evaluate existing programs and to see what is ahead.

IMPORTANT DATES:

- January 15, 2004:** Abstract due (submit through website indicated below, with e-mail to Session Chair. Be sure to begin the text of your abstract with the title of this session)
- February 10, 2004:** Notice of preliminary acceptance
- March 15, 2004:** Paper submission deadline
- March 15, 2004:** Early registration deadline (required for final acceptance of papers)
- March 15, 2004:** Deadline for authors' registration to ensure publishing of submitted papers
- April 15, 2004:** Notice of final acceptance based on peer review (Registration fees will be refunded if papers are not accepted)
