

# **International Conference on Engineering Education and Research iCEER-2004, Bouzov Castle, Czech Republic, June 27-30, 2004**

## **CALL FOR PAPERS #23**

### **POSTGRADUATE SKILLS TRAINING IN ENGINEERING**

Topics may include, but are not limited to, skills training for postgraduate students. In some nations, government funding initiatives has raised postgraduate skills training to a new level of importance and many universities are trying to develop programmes to respond to these initiatives. In this session, we plan to cover a wide range of issues that require discussion and further investigation under this topic. Examples include innovative, experiential-based courses in engineering.
