

Letter to the iNEER Network, January 15, 2013

Subject: Please put on your calendar: July 1 -5, 2013, the 2013 International Conference on Engineering Education and Research, iCEER-2013, Marrakesh, Morocco (sponsored by iNEER)

Dear Colleague:

We are pleased to announce the first major conference in 2013 sponsored by [iNEER](#) (please click). The 2013 International Conference on Engineering Education and Research, [iCEER-2013](#) (click), next in line in the longest running conference series sponsored by iNEER, will take place in Marrakesh, Morocco during July 1 – 5, 2013. This conference continues the annual ICEE and iCEER conference series sponsored around the world since 1994 by iNEER (now with 40,000 members in 98 countries). Following highly successful recent iNEER events held in [Belfast, Northern Ireland](#), [Saratov, Russia](#) (click) and [Turku, Finland](#) (click), the iNEER community will meet for the first time in the African continent in 2013.

Serving as Honorary Chairs of iCEER-2013 are Dr. Redouane Mrabet, President, Université Mohamed V Soussi (Morocco); Dr. Ahmed Lebrihi, President, Université Moulay Ismail, Meknès (Morocco); Dr. Essaaidi Mohammed, Head of École Nationale Supérieure d'Informatique et d'Analyse de Systèmes (ENSIAS) (Morocco); and Dr. Abdelali Ider, Dean, Faculté des Sciences et Techniques de Settat (Morocco). General Chairs of the conference are Prof. Hamadou Saliah-Hassane of TELUQ, Université du Québec, Canada, and Prof. Amine Berqia of École Nationale Supérieure d'Informatique et d'Analyse de Systèmes (ENSIAS), Morocco and University of Algarve in Portugal.

As stated on the iCEER-2013 website: “the general theme of iCEER 2013 will be: Borderless Global Engineering Education, Research and Industrial Development. iCEER 2013 main objective is to bring together researchers, academics, industrial partners, policy makers and experts in the field of Innovative and Technology Enhanced Engineering and Vocational Education. The conference activities, including technical and social ones, will be an opportunity to develop profitable collaborations and partnerships between all the participants. The duration of the conference will be four days. The scientific program will include: High Quality Keynote Speakers, Oral presentations, Demonstrations of technology based training material and Posters.”
