Degrees:

- 1989 *Doctor of Chemical Sciences*, Hungarian Academy of Sciences (HAS)
1969 *PhD (dr. univ.) in chemistry*, Lajos Kossuth University (LKU)
1963 *MSc in chemistry*, Lajos Kossuth University

Work experience:

- 1990– *full professor*, Lajos Kossuth University (today =) University of Debrecen
1975-90 *associate professor* (LKU)
1970-74 *assistant professor* (LKU)
1963-69 *junior lecturer* (LKU)

Scientific activity:

- 1991– reaction fronts, frontal polymerisation
1988– development of Suntest® UV-dosimeter
1975– autocatalysis, bistability, oscillations, chemical waves, gravitation effect
1970– fast reactions in solutions, autocatalysis
1970-75 chemistry of photographic rhodium-effect, kinetics of development
1968-70 catalytic effects in coordination chemistry
1963-68 separation of tracer radioactive isotopes by asymmetric electrolysis

University positions:

- 2006– *Doctoral Council of Faculty of Sciences, University of Debrecen*, member
2000-01 *Prorector*, University of Debrecen
1995-99 *Rector*, Lajos Kossuth University (LKU)
1990-98 *Head of department*, LKU, Department of Physical Chemistry
1990-95 *Vice-rector*, LKU
1984-90 *Dean*, LKU, Faculty of Sciences
1978-81 *Vice-dean*, LKU, Faculty of Sciences

Social positions, functions (by election):

- 2007– *Hungarian Higher Education Accreditation Committee*, president
2007– *Hungarian Bologna Committee*, member
2006– *Debrecen City Council*, member
2004-2006 *Hungarian Higher Educational and Scientific Council*, president
2002-2005 *Hungarian TEMPUS Board*, member
2002-2007 *European Centre of Strategic Management of Universities*, Board member
2002-2006 *Assembly of Hajdú-Bihar County*, representative (Hungarian Socialist Party)
2002– *Assembly of Hajdú-Bihar County, Comm. on European Integration*, president
2001-2004 *Hungarian Academy of Sciences, Presidium*, elected member

2001-2004 *Hungarian Academy of Sciences*, representative of academic doctors
 2001– *Babes-Bolyai University* (Cluj-Napoca), member of internatl. advisory board
 2001-2003 *University of Debrecen*, member of the Senate
 2000-2003 *Hungarian Doctoral and Habilitation Council*, president
 1999– *Int. Union of Pure and Applied Chemistry*, fellow
 1999– *European University Association (CRE)*, Quality Assurance Comm. member
 1998-2001 *European Centre of Strategic Management of Universities*, General Ass. m.
 1998-2002 *Hungarian Parliament*, MP
 1997-1998 *Hungarian Rectors' Conference*, president
 1996-1999 *Hungarian Higher Educational and Scientific Council*, member
 1996– *Oriental Journal of Chemistry*, Advisory Board, member
 1994-1995 *Hungarian Chemical Society, Committee on Education*, president
 1993-1995 *Hungarian Doctoral and Habilitation Council*, founding president
 1992– *Reaction Kinetics and Catalysis Letters*, Advisory Board, member
 1990-1998 *IUPAC, Committee on Education*, Hungarian representative
 1990-1996 *TEMPUS Hungarian Supervisory Board*, founding member
 1990– *Chemical Division of HAS*, consulting member
 1990– *Committee of Physical Chemistry of HAS*, member
 1989-1990 *Committee of Deans of Faculty of Sciences*, president
 1985– *Working Comm. on Reaction Kinetics of HAS*, member
 1975-1999 *Working Comm. on Coordination Chemistry of HAS*, member

Membership (by application):

1963 Trade Union of Teachers
 1963 Hungarian Chemical Society
 1994 Public Ansamble of Hungarian Academy of Sciences

Honours:

2003 Order of Merit of the Hungarian Republic, Commander's Cross
 2001 *Pro Universitate* (from University of Debrecen)
 1999 *Pro Scientia* (from Debrecen Committee of HAS)
 1999 *Doctor Honoris Causa* (from National Shevchenko University, Kíev, Ukraine)
 1999 *Pro Universitate* (from Lajos Kossuth University)
 1983 *Ifjúságért Érdemérem* (Medal for the Youth, national)
 1975 *Az Oktatásügy Kiváló Dolgozója* (Honoured Worker of Education, national)
 1964 *Felsőoktatási Tanulmányi Érdemérem* (Higher Educational Medal, national)

Important studies abroad:

1985,'7,'9 Brandeis University, Waltham, MA, USA, (3 × 1–1 month research)
 1980-91 Technische Universität, Wien, (6 × 1–3 week research))
 1982-83 Brandeis Egyetem, Waltham, MA, USA, (1 year research)
 1981 USA, USIA study tour at different universities (1 month)
 1977, '80 „Gastdozent”, Universität Rostock (1–1 week)
 1970, '72 Max Planck Inst. f. Biophysikalische Chemie, Göttingen (1, ill. 2 month)

Language skills:

1994 state certificate of English writing, reading and lecturing
 1974 state certificate of Russian reading, talking
 1967 state certificate of German writing, reading and lecturing
