

# International Conference on Engineering Education and Research iCEER-2004, Bouzov Castle, Czech Republic, June 27-30, 2004

## CALL FOR PAPERS #20

### WOMEN IN SCIENCE AND ENGINEERING

Authors are invited to submit abstracts for presentation at the conference and inclusion in the conference proceedings. Papers of interest should deal with innovative ideas and programs, scientific studies, and formulation of concepts related to the education, recruitment, and retention of women in science and engineering. Subjects for papers submitted can include:

- Empirical studies of current qualitative or quantitative research;
- Historical investigations of how minority status impacts science and engineering;
- Original theoretical or conceptual analyses of science from the feminist, racial, and ethnic perspectives;
- Reviews of literature to help develop new ideas and directions for future research;
- Explorations of feminist teaching methods, minority student/white teacher interactions;
- Cultural phenomena that affect the classroom climate.
