

-- WELCOME --

FROM THE ICEER-2013 GENERAL CHAIRS

DEAR COLLEAGUES:

BORDERLESS GLOBAL ENGINEERING EDUCATION, RESEARCH AND INDUSTRIAL DEVELOPMENT

The next International Conference on Engineering Education and Research will take place in the very famous city of Marrakesh (Morocco). It is one of the ICEE ICEER conference series sponsored around the world by the INEER. This is the first time of its long standing existence that an ICEER Conference is taking place in Africa. The general theme of ICEER 2013 Conference is: Borderless Global Engineering Education, Research and Industrial Development. ICEER 2013 main objective is to bring together researchers, academics, industrial partners, policy makers and experts in the field of Innovative and Technology Enhanced Engineering and Vocational Education. The conference activities, including technical and social ones, will be an opportunity to develop profitable collaborations and partnerships between all the participants. - The duration of the conference will be four days. The scientific program will include: High Quality Keynote Speakers, Oral presentations, Demonstrations of technology based training material and Posters.

THE SCOPE OF THE CONFERENCE WILL COVER (BUT NOT LIMITED TO):

- Smart Learning and Research in Mobile and Social Age
- Laboratory experiences: on-site, online; at home and mobile labs
- Distance Education: Methods, technologies, and assessment
- Student Learning Assessment
- Innovation and e-learning methodologies
- Energy, Mine, Biotechnology and Transportation Innovative Education and Research
- Smart Grid Education
- ICT and Lifelong Learning
- Engineering Project Management Education
- Accreditation Systems for Engineering Education
- Internationalization of the Curriculum

- Outreach Engineering Education Programs
- Entrepreneurship in Engineering Education Programs
- International and Regional Campus Networks
- Partnerships and Stakeholders (industries, governments, universities, international and regional organizations)
- Financing research and development and Research Valorization
- Science Technology and Mathematics Education
- Mobile, Embedded and Cloud Computing Technologies in Education and Research

PAPER SUBMISSION GUIDELINES

Abstracts, full papers and copyright agreements are submitted using the iCEER 2013 EasyChair Author Account. The working language of the conference is English. Submission of abstracts, full papers and copyright agreements happen in two stages:

Abstract Submission

Abstract submission is open until **15 February 2013**. The authors will be informed on the abstract review decisions. The accepted abstracts will be collected and saved for publication in the printed iCEER 2013 Abstract Book.

Full Paper Submission

Full paper submission via EasyChair is open until **22 March 2013** to authors of accepted abstracts. The peer review process will be completed on April 20, the results will be communicated to the authors. The authors of accepted full papers will be able to update their manuscripts based on the reviewers remarks via EasyChair until May 1st, 2013. The final versions of the full papers will be collected and saved for publication in the electronic iCEER 2013 Proceedings if at least one of the authors has registered to the conference and paid the registration fee by 15 May 2013.

Accepted papers will be considered for publication in 2014 iNEER Special Volume: INNOVATIONS 2014 – WORLD INNOVATIONS IN ENGINEERING EDUCATION AND RESEARCH

To know more about this book series (2002-2011), link to iNEER

Publication Page: <http://www.ineer.org/INEERPapers/Welcome.htm> where you are also invited to submit a Book Chapter.

Paper templates and copyright form:

Full paper submission instructions: [How to submit a full paper](#)

Full paper document template: [Word template \(doc\)](#), [Word template \(docx\)](#)

iNEER Transfer of Copyright form: [Copyright form \(doc\)](#)

LINK TO THE SUBMISSION SYSTEM

An author and an iCEER2013 Program Committee member needs to setup an EasyChair account before submitting an abstract or accessing the peer review paper evaluation system.

The link for EasyChair is:
