International Network for Engineering Education and Research (iNEER)
International Conference on Engineering Education (ICEE)

December 27, 2000

Professor John Garside, DSc (Eng), Feng, FIChemE
Principal and Vice-Chancellor
UMIST – University of Manchester Institute of Science and Technology
P.O. Box 88
Manchester M60 1QD

Dear Professor Garside:

Thank you for your letter of September 27, 2000 concerning hosting ICEE-2002 at UMIST on August 19-22, 2002, under the leadership of Professor Peter Hicks, Dean of UMIST.

As you may have heard from Prof. Hicks, he presented your letter to the International Steering Committee as a part of his update of ICEE-2002 plans at the Committee meeting in Porsgrunn, Norway this past October. Following discussion, the Committee unanimously approved the plans, thereby designating UMIST as the host institution and Manchester as the conference city for ICEE-2002.

Following ICEE guidelines, in the near future, I shall be forwarding a draft agreement concerning the convening of ICEE-2002. This document shall be signed by an administrative official authorized to represent UMIST, and the chair of the iNEER Board, currently Dr. Vaclav Roubicek, Rector, VSB – Technical University of Ostrava, Ostrava, Czech Republic.

On behalf of the International Network for Engineering Education and Research (iNEER) and the International Steering Committee of the International Conference on Engineering Education (ICEE-ISC), I congratulate you and Prof. Hicks, representing UMIST, on being selected as the hosts of ICEE-2002.

I know the international engineering education community is looking forward to coming to Manchester, United Kingdom, for ICEE-2002.

Season's Greetings from iNEER and ICEE-ISC!

Sincerely,

Win Aung, Ph.D., Dr.h.c., P.E.
Secretary General
