Dear Professor Nieto:

Thank you for your letter of December 20, 1999 concerning hosting ICEE-2003 at UPV on July 21-25, 2003 under your leadership and assisted by Profs. Luis Manuel Sanchez Ruiz, Enrique Ballester, and Ana Gimeno.

As you may have heard from Profs. Ruiz and Gimeno, at the International Steering Committee meeting in Porsgrunn, Norway this past October, they presented your letter as a part of the proposal for ICEE-2003. Following discussion, the Committee unanimously approved the proposal, thereby designating UPV as the host institution and Valencia as the conference city for ICEE-2003.

Following ICEE guidelines, in the near future, I shall be forwarding a draft agreement concerning the convening of ICEE-2003. This document shall be signed by an administrative official authorized to represent UPV, and the chair of the iNEER Board, currently Dr. Vaclav Roubicek, Rector, VSB – Technical University of Ostrava, Ostrava, Czech Republic.

On behalf of the International Network for Engineering Education and Research (iNEER) and the International Steering Committee of the International Conference on Engineering Education (ICEE-ISC), I congratulate you and Profs. Ruiz, Balester and Gimeno, representing UPV, on being selected as the hosts of ICEE-2002.

I know the international engineering education community is looking forward to coming to Valencia, Spain, for ICEE-2003.

Season's Greetings from iNEER and ICEE-ISC!

Sincerely,

Win Aung, Ph.D., Dr.h.c., P.E.
