

General Secretariat
International Network for Engineering Education and Research (iNEER)
International Conference on Engineering Education (ICEE)

December 27, 2000

Dr. David R. Colburn
Provost and Vice President for Academic Affairs
University of Florida
235 Tigert Hall
P.O. Box 113175
Gainesville, FL 32611-3175

Dear Dr. Colburn:

Thank you for your letter of September 27, 2000 to the ICEE-ISC, endorsing the request of the University of Florida to host a future ICEE. The request, prepared by Prof. Timothy Anderson and Prof. Marc Hoit of the College of Engineering, was presented to the ICEE-ISC at its October 2, 2000 meeting in Porsgrunn, Norway.

As you may have heard from Prof. Anderson, ICEE-ISC approved the request, designating mid-August, 2004 as the conference date and Gainesville, FL as the conference venue.

Following ICEE guidelines, in the near future, I shall be forwarding a draft agreement concerning the convening of ICEE-2004. This document shall be signed by an administrative official representing the University, and the chair of the iNEER Board, currently Dr. Vaclav Roubicek, Rector, VSB – Technical University of Ostrava, Ostrava, Czech Republic.

On behalf of the International Network for Engineering Education and Research (iNEER) and the International Steering Committee of the International Conference on Engineering Education (ICEE-ISC), I congratulate you and Prof. Anderson on being selected as a host for ICEE-2004.

I know the international engineering education community is looking forward to ICEE-2004 in Gainesville.

Season's Greetings from iNEER and ICEE-ISC!

Sincerely,

Win Aung, Ph.D., Dr.h.c., P.E.
Secretary General
