

The background features a blue gradient with several elements: a globe in the upper left, a circuit board pattern in the upper right, and a large, faint watermark of the UTN logo in the center. A small Argentine flag is positioned in the upper right quadrant.

Universidad Tecnológica Nacional Argentina

2nd Ibero-American Summit on
Engineering Education
iCEER-2006

www.utn.edu.ar

Conference main topics:

- **Assessment & Accreditation**
- **Curriculum Development**
- **Digital Library**
- **Distance Education & Tools**
- **Funding Mechanisms**
- **Ibero-American Network in Engineering Education**
- **Innovation in Engineering Education**

www.utn.edu.ar

Conference main topics:

- Policies in Engineering Education
- Pre-university Education
- Professional Education in Science & Technology
- Student and Faculty Exchange
- Technology Transfer
- Trends in Engineering Education
- University-Industry Partnerships and Collaboration

www.utn.edu.ar

Dates and location of the conference:

- **May 29 to June 1, 2006 (three days for Conference and one day for internacional workshop)**
- **Buenos Aires, Argentina**

www.utn.edu.ar

Plans for publication of proceedings:

- The proceedings will be surely published in CD-ROM and in the Conference Web Site.
- We'll also try to select the best works to be published in a special printed publication.

www.utn.edu.ar

Proposed schedule:

- **6/25/04:** Preliminary concept paper submitted to iNEER board and international steering committee.
- **8/13/04:** Final proposal and plans presented to iNEER Board and International Steering Committee and for review.
- **2/14/05:** Mail out general announcement; solicit suggestions for conference topics and volunteers for session organizers/co-chairs.

www.utn.edu.ar

Proposed schedule:

- **5/30/05: Distribute brochures about conference on site. Send out specific, topical Calls for Paper.**
- **10/14/05: Full Papers due**
- **11/25/05: NOTICE OF ACCEPTANCE**
- **12/16/05: Early registration**
- **2/17/06: Final formatted manuscripts due**

www.utn.edu.ar

Proposed Committees:

- **International Committee:**

- Héctor Carlos Brotto
General Chair
(Rector of UTN, Argentina)
- José María Virgili
Chair of the Program Committee
(Dean of Avellaneda Faculty, UTN, Argentina)
- Uriel Rubén Cukierman
Executive Chair
(ICT's Sub secretary, UTN, Argentina)
- Neorén Pedro Franco
(General Secretary, UTN, Argentina)

www.utn.edu.ar

Proposed Committees

- **International Committee (Cont.)**

- ▣ Lueny Morell*
(Hewlett Packard Company, U.S.A.)
 - ▣ Jaime Puente*
(Microsoft Corp, U.S.A..)
 - ▣ Fernando Gilbes*
(Cohemis, Puerto Rico)
 - ▣ Mauro Miskulin*
(ISTEC, Brazil)
 - ▣ Jorge Velez Arocho*
(UPRM - Universidad de Puerto Rico, Mayagüez, Puerto Rico)
 - ▣ Win Aung*
(iNEER, U.S.A.)
- *To be invited

www.utn.edu.ar

Proposed Committees

- **Program Committee:**

- José María Virgili

Chair of the Program Committee

(Dean of Avellaneda Faculty, UTN, Argentina)

- Uriel Rubén Cukierman

Executive Chair

(ICT's Sub secretary, UTN, Argentina)

- Daniel Elso Morano

(Engineering Deans Confederation, Argentina)

www.utn.edu.ar

Proposed Committees

- **Local Organizing Committee:**

- **Uriel Rubén Cukierman**
Executive Chair
(ICT's Sub secretary, UTN, Argentina)
- **Jorge Del Gener**
(Vice-Dean, UTN-FRA, Argentina)
- **Luis Muraca**
(Planning Secretary, UTN-FRA, Argentina)
- **Roberto Bartolucci**
(General Secretary, UTN-FRA, Argentina)

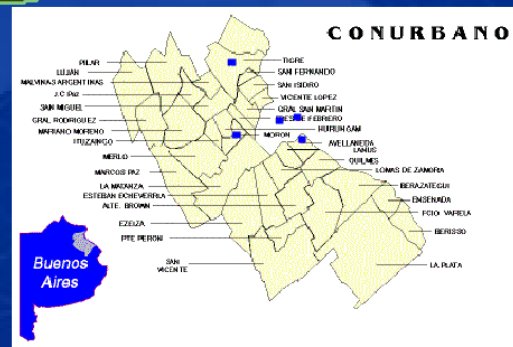

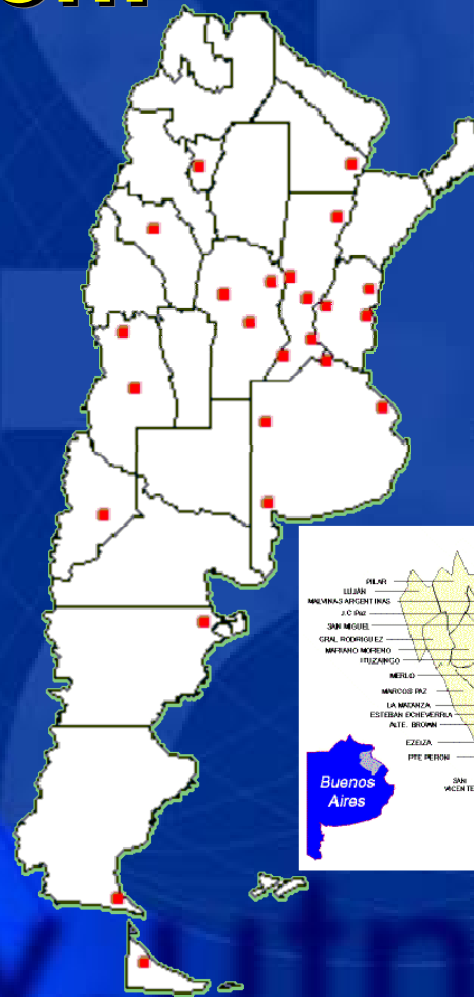

www.utn.edu.ar

Introduction to the hosting institution:

- One of the three most important universities in our country.
- The only Argentinean University specialized in engineering.
- It has more than 30 campuses distributed throughout our vast country.

www.utn.edu.ar

Introduction to the hosting institution:

Introduction to the hosting institution:

- More than 60.000 under-graduate students.
- More than 50% of the professional engineers in our country are graduated from our University.
- Our university has a strong relationship with the local industrial and community with an important relevance, especially in regional developments.
- More details on www.utn.edu.ar

www.utn.edu.ar

Introduction to the hosting city:

- The City of Buenos Aires is the capital of the Argentine Republic.
- It is located in the southern hemisphere of the American continent.
- When coming by plane, the travel takes about ten hours from New York, London, Paris, Madrid and Rome.

www.utn.edu.ar

Introduction to the hosting city:

- The climate - oceanic and warm - is mild all year round.
- Buenos Aires offers more than 450 facilities for lodging, 25,500 rooms and 52,000 beds.
- The City is a cosmopolitan and modern urban center, where every day millions of persons, among them tourists, come and go either to work or to visit the city.
- More details on www.buenosaires.gov.ar

www.utn.edu.ar

Comments on conference facilities:

- The Conference will take place at the “Facultad Regional Avellaneda” campus, located in a village 15’ far from the Buenos Aires City.
- There are several classrooms where to develop the conferences and sessions and a main building where the plenary sessions will take place
- The Campus is equipped with Internet, Internet2 and ISDN connections with video conference equipment.
- More details on www.fra.utn.edu.ar

www.utn.edu.ar

Social/cultural programs and any technical visits

- **The organizers will arrange these kinds of activities in order to offer a complete agenda for the participants including social, cultural and technical activities.**

www.utn.edu.ar

Proposed budget for the conference:

- The budget will be defined, as stated in a previous item, during the next month and will be presented to the iNEER Board at least on August 13, 2004, included in the final proposal.
- Anyway, we want to point out that, due to local currency (1 USD = 3 ARS), local costs reflects very low budgets in dollars.

www.utn.edu.ar

Final Notes:

- Any other organizing details will be included in the final proposal

**THANK YOU FOR YOUR SUPPORT AND
COOPERATION**
