INVITATION TO SUBMIT: *INNOVATIONS 2015*

Dear Colleague:

This is a special invitation for you to submit a chapter to *Innovations 2015* which is scheduled for publication in July, 2015. As the next issue in the the iNEER *Innovations series*, *Innovations 2015* is dedicated to chronicling worldwide innovations in engineering education and research, with a broad coverage of contemporary issues in engineering education and research. All papers in this hardcover archival series are peer-reviewed. The last edition, *Innovations 2014*, was published in June, 2014. If you wish to obtain information about this book or any other previous edition in the series, or simply to purchase a copy of this book or any other past issue of the series, please visit: <http://www.ineer.org/iNEERPapers/Welcome.htm>.

Now, it is my pleasure to extend to you a special invitation to contribute a chapter to this upcoming book. Entitled *Innovations 2015*, the 2015 edition of the iNEER *Innovations Series* will be published in the summer of next year.

If you are interested in contributing a chapter to *Innovations 2015*, please reply to this e-mail so we can get started. I will respond by giving you further details, including a template for formatting your paper. Please note that, all authors are required to share in the cost of producing the book, so there is a page charge of US\$90 per page for all manuscripts, payable prior to start of peer review but fully refunded for any paper that is not accepted.

I hope to hear from you.

Sincerely,

Win Aung, *Ph.D., Dr.h.c.*
Principal Editor, *Innovations Series*
